PRO TIPS

Show off your favorite looks on social, along with a little tutorial!

Have fun mixing and matching different colors and finishes together. (Can pair the **new matte metallics** with **fmg Glimmer Nail Lacquer** and seal with a top coat.)

Yay for ombré! Apply two colors and use a sponge to achieve that blended effect.

Use tape to create strips, different shapes or block off negative space (just like with art!), then paint over with your nail lacquers for a modern and unique look.

just for you
